

**Children's House of Weld County: Montessori
Permissions**

Our classes try to go on at least one field trip per month during the school year. The students generally ride on our school bus or in a licensed parent's vehicle, although sometimes we go for a walk near the school. If your child still uses a car seat, you must have your child's name on it and leave it at the school in the morning on the day of the field trip. You may pick it up when you pick up your child at the end of their school day. An announcement of each field trip is posted one week prior to the day of the trip.

Sometimes photographs are taken of our students to be used in news releases, brochures, or other public relations communications. Students without permission to have their pictures displayed will not be included in such materials.

On days when the students spend more than 15 minutes outside, the school tries to ensure that each child is protected by sunscreen. The school uses *Rocky Mountain Sport Sunscreen* (SPF 30). It is waterproof, greaseless, PABA-free, with UVA and UVB protection. The ingredients are ethylhexyl-p-methoxycinnamate, 2-ethylhexyl salicylate, oxybenzone, and homosalate. If you prefer to have your child wear a different sunscreen, please apply it before your child arrives at school and let your child's teacher know that your child is already protected from the sun for the day.

Our school encourages dental hygiene and participates in a program where each student brushes his/her teeth daily at lunchtime. The toothbrushes will be kept at the school, in a rack with each toothbrush covered by a personal cover, which, along with the toothbrush, is supplied by the school. The school uses *Crest* toothpaste and will supply it to the students on a daily basis. If you and your child would prefer a different toothpaste, please indicate your choice below so that we know to look for it in your child's lunchbox.

_____ I give permission for my child to attend all field trips during the school year.

_____ I give permission for my child to be transported by foot or vehicle for field trips and emergency care. I will not hold the driver liable for any accident incurred by transporting children.

_____ I give the Children's House of Weld County, Inc. permission to use any photographs taken of my child in news releases, brochures, or any other public relations communications.

_____ I give permission for the Children's House of Weld County, Inc. to apply sunscreen to my child for all of his/her outdoor activities.

Any special application instructions: _____

Select one of the following options

_____ I give permission for my child to participate in the daily Dental Hygiene program at the school and that my child will be monitored during the brushing process. I understand that the school will supply my child with *Crest* toothpaste.

_____ I give permission for my child to participate in the daily Dental Hygiene program at the school and that my child will be monitored during the brushing process. I will provide a different toothpaste than the school supplies and it will be in my child's lunchbox every day.

Other toothpaste: _____
